WELCOME TO THE HUNTINGTON BEACH BEER COMPANY.

Orange County's first micro-brewery established in 1992.

Traditionally, workers would sickle the grain grown here in Huntington Beach, then deliver the natural malt products by horse and carriage to the breweries in Los Angeles.

Our original logo of a gentleman laboring the grain with the Pacific Ocean and Catalina Island in the background brings you a vision of the past.

Check the **CHALKBOARD** for a list of today's craft beers on tap.
